

MOUNTAIN ESCAPE: EFFORT, NATURE, AND A WELL-DESERVED FONDUE!

ROUTE TO DISCOVER THE CLEUSON DAM (SIVIEZ):

Is it your first ski touring adventure? Then this route is perfect for you. From Siviez to the Cleuson dam, this itinerary offers breathtaking views of the Rhône Valley and the surrounding peaks.

The route mainly follows the road along the “La Printse” river, crossing the Cleuson and Tortin alpine pastures. Along the way, you’ll be immersed in a preserved natural environment, far from mechanical lifts, allowing for a deep connection with the mountains.

Upon reaching the dam, a well-deserved lunch break awaits, where you’ll enjoy a traditional fondue with panoramic views. After this friendly moment, the descent will allow you to safely apply the techniques you’ve learned.

This outing is ideal for skiers looking to combine discovery, enjoyment, and social moments in a unique setting.

OUTING PROGRAM:

START: We meet at 9:00 a.m. at the Siviez parking lot, ready to start the adventure in ski gear with the necessary equipment.

THE OUTING: From the parking, we'll begin our tour below the start of the Combatseline chairlift, on a gentle and progressive slope.

PANORAMIC VIEW: Midway, we'll reach a viewpoint offering an exceptional panorama of the Cleuson dam. Continuing, we'll reach the dam area around 12:00 p.m. at an altitude of 2,187 meters, where a beautiful view of the Sion valley awaits us.

LUNCH BREAK: We'll share a fondue, surrounded by the surrounding peaks, in a friendly atmosphere.

THE DESCENT: Two easy routes are available depending on conditions and the group.

RETURN: We plan to be back at the starting point around 1:00 p.m., full of memories and smiles on our faces.
